Minutes of Previous Meeting (10/27/2015) were read and accepted as written.

Mr and Mrs Mangifico 31 Island Road

Katrina Anop and Victor Anop representing neighbors abutting the property at 31 Island Road Holland

Scott Haley & Jacqueline Haley 33 Island Road

Cristine Killizli-Salalmeh 26 Island Road

Michael Jacquinet & Lisa Jacquinet 29 Island

A rather heated discussing ensued concerning why the abutters were not notified about Mangifico's septic system. Dave Kowalski explained the well was in existance and the septic system was being build under the rules for new construction.

Mr. Kowalski told the group that septic plans for 29 Island Road were not available but Ms. Killizli-Salalmeh had told Mr. Kowalski the approximate location of the septic system at 29 Island Road. Mr. Kowalski stated that he had measured and determined the septic system was 55 feet from the septic system at 29 Island Rd.

Mr. Jacquinet volunteered that his septic system was only 44 feet from the proposed well.

The group subsequently left for a meeting with the Conservation Commission.

Richard Haller Trails wants the Board of Health to pay for a portable toilet to be located at the public beach at Lake Siog. He stated that the Army Corps of Engineers would pick up 1/2 the cost.

Mr. Kowalski told Mr. Haley that he would ask the selectboard for the funds.
