

Holland Massachusetts

Board of Health

Meeting Date: May 2, 2000
Members in attendance: Sally Blais, Sid Richardson and Arthur Quinn
Meeting Opened: 7:30 PM
Meeting Closed: 10:07 PM

Sally motioned, Sid seconded – Meeting Opened 7:30 PM

Minutes of last meeting were reviewed and accepted as written.

Bud Soper took installers test, passed and received installers license.

Dick Bizzarro – Title V work needs to be done on his property which will require a new well. Because possible location may be cause for local variance, plan will be remeasured and if needed a new location will be determined.

Helen Kreeger – (Lake Shore Drive) came in for a plan review. The BOH will request an opinion of the plan from DEP, because of many concerns.

Brian Dollar – took installers test, passed and received installers license

Mark Campbell – wanted review of procedure sheet.

Mr. LaPierre (10 Julian Dr.)– came in for a review of plans for septic system upgrade. Certain restrictions, including a public hearing will be required before the plan can be approved. The restrictions required and conditions for the public hearing were explained to Mr. LaPierre, a date for public hearing will be set.

Andrew Truax (307 Stafford Road)– Came in for a well permit. The plans was reviewed and a well permit issued.

Primo Bonnetti (Lino Road) – Came in for review of procedure sheet and a well permit. Plan was reviewed and a permit granted.

Ron Cox – took installers test, passed and received installers license.

Sally motioned, Sid seconded - Meeting adjourned 10:07PM.
