Tom Baltazar will become fourth member of BOH effective this meeting.

Listened to phone messages.

Mr. Peter Frei – 101 Maybrook Road came in to request certificate of compliance for his septic system. Sally explained that the BOH was not in possession of an AS-BUILT for his system and for that reason could not issue a certificate of compliance. She explained that the BOH had never received an AS-BUILT or that the AS-BUILT has been destroyed in the town hall fire of several years ago.

Joanne Cuporale – Lots 3 & 4 Mashapaug road came in looking for septic plan approvals. Sally found the plans as reviewed by Arthur Quinn, they had issues and needed to be resubmitted.

Henri Baillargeon – 215 Mashapaug Road came in looking for Title-5 for his septic system. He was informed that he would have to hire an inspector to inspect his system and see if it conformed with Title-5.

Sally motioned, Dave seconded - Meeting adjourned 8:30PM no further business.
