John motioned, Dave seconded – Meeting Opened 7:30PM

Minutes of previous meeting will be read at next meeting.

Jason Bryant – 9 Ardmore Street – Came in with questions about digging a new well or repairing the existing well. May dig well deeper at same location – In any event a water test will be required for Title V compliance. Mr. Bryant will meet with well company to decide exactly what to do.

Mr. Pronto – DiGregoria Construction – Took and passed installers test. Permit 060303-1 issued. (# 3503)

Alan Papesh – Papesh Excavation – Took and passed installers test. Permit 060303-2 issued. (#3203)

Mike Woznicki – 34 Craig Road – Well test from neighbors well came back with elevated levels of nitrate 6.5 as opposed to 5.0. Mr. Woznicki was advised as how to proceed to determine where nitrates were coming from.

Mike Thibeault – Wales Road – Well permit – Wants to put water outlet near garage. BOH of advised that under no conditions will water outlet be allowed inside garage. Permit 060303-4 issued. (#2883)

Berthiaume Excavation – Dan Berthiaume took and passed installers test. Permit 060303-3 issued.

Public meeting called Shirley Postell – 16 Leno Road – No abutters in attendance.

Shirley Postel – 16 Leno Road – Final approval on plan and permits.

- Variance to 310 CMR 15.211 (1) The proposed SAS does not meet the required setback from a well 100 feet required greater than 93 feet provided neighbors well (Rose and John Normand).

Variance was granted. Well permit 060303-5 issued.

Dennis Benda – 9 Lake Ridge Drive – Title 5 Certificate of compliance was issued with the following stipulations. Cesspool under floor of garage must be filled and abandoned. Proof that basement bathroom has been hooked up to new septic system.

Mark Palmer – 171 Sturbridge Road – Addition on house. House currently has two bedrooms, adding a new bedroom. Septic was designed and installed to support 3 bedroom house. Sally signed pink sheet.

John motioned, Dave seconded - Meeting Adjourned 9:00 PM
