Minutes of August 19 meeting were read and accepted as written.

D.J. Kaitbenski took and passed installer's test – Installer permit 090203-1 Issued

Andrea Gallo 7 & 8 Lee Drive – Two houses on same property. Title V was written for both houses, but only 1 house connected to the septic. BOH advised that Title V be rewritten for only one house. Furthermore the BOH advised that the septic at the house (8 Lee Drive) be abandoned with proof that house was disconnected from the system and tank removed or crushed, the dug well should be filled in. Title V must be rewritten and proof of abandonment provided before certificate will be issued.

Bill Hardy – Church – Church can not be attached to town water supply. Church will have to submit well plans to board.

Bill & Nancyh Cormier – Lot 6A Allen Hill Road 01-H-01.06 Septic plan approval and well permit. Well permit 090203-2 issued.

Bob Williams – 26 Brandon Street – Tight tank – State had approved emergency order for installation. Original order lapsed due to death in family. Plan must be stamped by DEP. BOH will not accept any tight tank plan not approved by DEP first. Property also has back taxes and plan will not be approved for construction until taxes are paid.

Robert Mosher – 1 Williams Road – Certificate of Title V Compliance. – Certificate issued.

Paul McNaughton – 188 Brimfield Road – Came in with as built – Wants certificate of Title V compliance. Certificate issued.
