***** Public Hearing ***** Fred Trifone -Stafford Road *****

Fred Trifone – 119 Stafford Road

Three abutters present

Mike Gaudet – 103 Stafford Road
Walt Kocher – 6 Marcy Lane
Lynn Shumaker (for Barb LePage) – 2 Marcy Road

Barbara LePage's well less than 100 feet from proposed septic leach field, at least 75 feet available. BOH advised abutters that being less than 100 feet was not reason enough to prevent a septic system from being installed and that BOH does grant variances according to the laws of the State of Massachusetts.

Plan does require several variances and John Robbins wanted to have DEP approval before BOH considers variances.

***** End Public Meeting *****

Walt Kocher –6 Marcy Road reporting septic overflow coming from 8 Marcy Road. BOH will investigate.

Patricia Carpenter – 29 Hamilton Drive – Three bad water tests. (BOH advised Ms. Carpenter to have tests verified because well were very far away and at least one was an artesian well at least 300 feet deep.)

Sarah Cobb Whitfield and Lawrence Whitfield – 3 Harold Lane came in for septic plan approval and well permit. Permit 100703-1 issued.

John motioned, Dave seconded - Meeting adjourned 9:30 PM
