

Holland Conservation Commission

Minutes of Commission meeting held on May 11, 2010.

Present: Mary VandenBerg, Chairperson, Nathan Gumlaw, Acting Secretary and James Wettlaufer.

Chairperson called the meeting to order. The minutes of the April 27, 2010 meeting were read and accepted and will be distributed.

7:30 p.m. Patricia J. Scungio of 83 Sturbridge Rd, Holland, Ma, brought four different conservation issues to our attention. The first two had to deal with erosion that was occurring on her property, the second two dealt with erosion that was occurring across the street from her and on Leno Rd. These issues, along with corresponding photos, were described in detail. We asked Patricia J. Scungio, for permission to access her property (which she agreed to) and informed her that a representative from the conservation committee would make a site visit to investigate the conservation issues that she had raised.

8:00 p.m. We signed a letter to Jane Peirce (319 RFR Coordinator), in support of using the remaining FY07 319 grant to complete the Sturbridge road Storm Water Management project that is currently being considered under this grant application. All were in favor of the project.

The meeting was adjourned at 8:15 PM.

Respectfully submitted by

Nathan K. Gumlaw, Acting Secretary

Copies to Select Board, Town Clerk, Board of Health, Planning Board, Building Inspector, Highway Surveyor, ZBA, File and HCC Chairperson.
