Howard Fife, Agent reports:

A site visit of the project at 2 Leisure Dr. Map R-34-B-4 revealed that the catch basins were not in place and dirt along the South side of the house had no silt fences to protect Hamilton Reservoir. Motion was made to send an Enforcement Order. All were in favor. Order will be mailed.

Mary vandenBerg requested that the June 12, 2007 Minutes be sent to Mrs. Wyszomirski and Mr. Kenniston.

On June 25, 2007, Green Hill Engineering faxed a request for a Public Hearing of a Notice of Intent for Alexander and Janice Puziak of 264 Mashapaug Rd. Map R-8-A-4 to install a holding tank. Green Hill Engineering agreed to a Public Hearing for July 10, 2007 at 7:30 p.m. A Legal Notice is to appear in The Republican on July 2, 2007.

We received today, June 26, 2007, from Green Hill Engineering a packet containing the Notice of Intent and a check for \$67.50 paying for Mr. Puziak's filing fee.

7:35 p.m. Henri Baillargeon of 215 Mashapaug Rd. and Josh Coriveau and Tom Kane both of 7 Union Rd. came in for information regarding a right-of-way. They solved their own questions with the help of Mr. Baillargeon's map and a document from the Commonwealth of Massachusetts The Trial Court, The Western Division of the Housing Court – which is now in the HCC files.
