Mary vandenBerg received a call from John Robbins, Board of Health, informing her that he and Dave Kowalski checked #11 Craig Rd, (Boniface) and found a 500 gallon cesspool tank; a trench dug to the lake and a garden hose going out toward the lake, He ??? (Boniface) was told it must be pumped today or they would "close him down". Dave will monitor the situation.

7:30 Mr. Brunner appeared before the committee regarding Lot 6. He was providing information as requested at the June 26, 2003 hearing for Lot 6. The newest map provided was logged in by M. vandenBerg dated & signed. The newest map is signed and dated as follows: Normal G. Hill 7-3-03.
