Minutes of meeting on 8/14/01 read and approved. Signed by Mary.

Present were Mary vandenBerg, James Wettlaufer, Helen Kreiger, Marguerite Choquette, Daniel Wrona and Brad Noble. Absent was Howard Fife.

Brad reported that \$20.00 was received from Henri Baillargeon for the legal ad. Given to Town Treasurer on 8/21/01.

Mary and Brad reported on their site visitation to the John Scott lot. Mr. Scott joined us in our visitation. It is our opinion that Mr. Scott is not ready for us to sign off that all conditions of the Order of Conditions has been met.

Mr. John Kokoski, 1 Vinton Road given a Request for Determination which will request HCC approval to dig a shallow well on his property. He will return next week.

Procedure Sheet #01-0352, issued to Duane and Lisa Boudreau, 12 Craig Road, Map 21, Lot A-7, to replace roof, windows and install sliding door. After noting that a Dumpster must be on site and leaded windows taken away in accordance with state law, all approved and signed by Mary.

An additional project was added to Procedure Sheet #00-0217, issued on 9/26/00. "and fortifying embankment to prevent further erosion". Wall to be pressure treated lumber backed with loose stones. After review of drawing with owner, all approved. Signed by Mary.

Procedure Sheet #01-0351 issued to Richard Polverani, 7 Sunset Lane, Map R-11, Lot B-04, to replace existing shed. Old shed to go to CT and disposed of in a legal manner. French drain to be installed. After review of plot plan, all approved and signed by Mary.

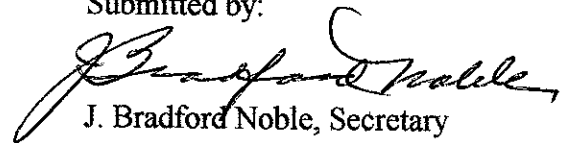

Public hearing for Bill Pucci, 31 Massoconic Trail, to repair Septic System, Procedure Sheet #01-0355, opened at 8:50 P.M. Mark Farrell of Green Hill Engineering presented the plan that was included in the Request for Determination. The HCC requested that a settling area be placed next to the well that is going to be drilled. Hay bales are also to be placed around the well site. A new drawing will be prepared and given to HCC. With these added requirements, a negative determination will be prepared for our next meeting. Hearing closed at 9:15 P.M.

Discussion centered around the timing of the "drawdown". The Order of Conditions requires it start sometime in September / October through December / January depending upon conditions. Jim to check with Union to determine when they will lower their lake that feeds into Hamilton Reservoir. Thoughts are settling in on October 1st but no

decision has been made pending Jim's report. According to Town By-laws, non-permanent docks must be out of the water by 10/31/01.

Motion made to adjourn by Marguerite, seconded by Dan. All approved and meeting closed at 9:35 P.M.
