### **Old Business**

The kiosk could either be complete or in kit form. If it can be stored, completed would be preferable. Dick will speak to Ian.

Bob has the two new trail cameras and is familiarizing himself with their operation. Dick has the two older ones. Anyone who is interested is welcome to take one and learn how to use it.

### **New Business**

The Committee discussed the Community Forest Plan and voted unanimously to approve it.

It was decided to postpone discussion of trail planning until all members have had an opportunity to familiarize themselves with the landscape and with existing trails. Dick will schedule a walk in late August or early September and will invite Ed Hood and Glenn Colburn to join us.

Tim Hagan, a member of the Cable Commission is interested in expanding community outreach. He could be a resource for the Trails Committee.

Members are reminded to take the ethics test, if it hasn't been taken in the last two years.

Dick was unanimously elected Chairman/Secretary. Chris was unanimously elected Treasurer.

We meet next on Wednesday, August 26th at 7:00.

The meeting was adjourned at 7:55.
