

Holland Trails Committee Minutes

Date: September 23, 2020

Present: Richard & Chris Haller, and Jackie Proko

Due to COVID-19 concerns, this meeting was convened remotely. The meeting was called to order at 7:05 PM by Dick Haller. The minutes of the meeting held July 22nd were approved.

Chris presented the treasurer's report. The balance is \$2,350.

Old Business

The trail cam photos forwarded to the Committee were approved for posting.

Janine Drake is awaiting word from the town attorney regarding progress on the acquisition of the Sichol property. The Land Court is only open for "emergencies."

New Business

The Community Center Trail is becoming obscured by weeds, especially crab grass. Dick will send photos. The problem is especially acute in areas which are not shaded. Dick will meet with Brenda to discuss possible solutions.

It was decided to table a discussion of objectives and goals for promotion of Holland Trails. The matter will be taken up at our next meeting.

Members of the Committee walked the Sichol property with Ed Hood on September 12th. Members are now better able to plan potential locations of trails there.

The first project, however, will need to be the creation of a parking area and trailhead. The kiosk is ready for installation in this location.

We meet next on Wednesday, October 28th at 7:00.

The meeting was adjourned at 7:32.
