Tom's comments about beaver problem:

Letter came in from Donna Cummings 30 Stafford Road, she wasn't home at time Tom went to speak with her. Joe Maudsley, 34 Stafford Road - land in back is blocked and pond is being created and there will be problem with septic because of pond. Rick Barus at (413) 667-3245 will contact Donna Cummings and tell her how to request removal permit. People will have to come in and request a beaver removal permit.

Fees will be raised probably in all circumstances.

Jean Sullivan 5 Pine tree road came in for Title V. Certificate of Compliance.

Carl Johnson - New Construction - Stafford Road - 20-A-5 Septic Construction Permit 081506-1 issued. Heather signed pink sheet 2006-1113. Well permit 081506-2 issued.

Ron Keyes -113 Sandy Beach Road - Adding addition to home – second floor move bedrooms up stairs. Heather signed pink sheet 2006-1090 plan meets all requirements.

Therese Hentnick – Lot 1 Barclay no house on property came in with questions about septic construction.

Gary Babineau - 9 Amber Road - Pumped 2 times in 8 days. Says Slim might have made an error when pumping. Will monitor system closely and make remedies if necessary.

Tom Baltazar moved his well:

12 Sandy beach road well moved closer to 16 Stony - Need variance

- Variance to 310 CMR 15 SAS does not meet required setback from a well, 100ft required 67 ft provided (nf Owner)
