Minutes of previous meeting read and accepted as written.

Art Brunner – needs signature on procedure sheet for Lot2 Kimball Hill Road. Also well permit for lot 2 (4-1-2.21) Kimball Hill Road. Permit #031902-1 issued.

Concerned citizen reporting fluids being pumped from basement of house at 40 Craig Road. Dave Kowalski and Tom Baltazar will check it out tomorrow.

James Kingston – 22 Lake Shore Drive – Came in to have procedure sheet signed and well permit (persuant to 01/15/02 meeting). Mr. Kingston presented a site plan showing distances to neighboring wells and septics. Well permit #031902-2 issued.

John motioned, Dave seconded - Meeting adjourned 9:30 PM

Tom Baltazar and Dave Kowalski met 03/20/02 at 10:00 AM at 40 Craig Road. No one was home. Pipe coming from house was examined and no odors were detected or contaminants observed. Dave Kowalski will go back at later time to talk with home owners.

Dave Kowalski returned to 40 Craig Road the following day. Female resident of home told Mr. Kowalski that pipe was output from water softener. Mr. Kowalski advised her that water softener output should be discharged into a dry well and not into the septic system or simply out the side of the house. The home owner said the condition would be corrected.
