

Holland Massachusetts

Board of Health

Meeting Date: June 4, 2002

Members in attendance:

Meeting Opened:

Meeting Closed:

No Meeting was held June 4th because a quorum could not be reached. However on June 4th David Kowalski made a copy of the well permit #050702-1 issued on 05/07/02 to Bob Shumaker and Barbara LePage – 115 Stafford Road, because the initial permit was lost and well drilling company would not begin drilling without a permit.
