#### **O Zoning By-Law Committee:**

We need to have a By Law committee and update our current By-Laws to make them whole.

Janine Drake received information regarding By-Law Committee components and possible procedures with recommendations from our Building Inspector: Jack Keough. Some things to consider when formulating our By-Law Committee:

\*Members need to include those who have keen insight on By-Laws. It is preferable to not have a member of the Planning Board.

\* We need research from ALL Town Reports, Special and Annual Meetings from 1975 – Current, Approved By-Laws. We need to know if the articles were denied, as well.

\* Attorney General approvals/denials-modifications. We need to get the Articles for Zoning Change.

\*By Law Committee need search for conflicts (By Laws are very far behind, there are many conflicts.)

\*Final Review needs to go to Town Counsel.

Mr. Fancy would like to find out the company to outsource.

**Motion 022619-4:** Mr. Mandell made a motion to reach out to the 3<sup>rd</sup> party for the update of our By-Laws. **2<sup>nd</sup>** Ms. Schmidt. So Voted. **Discussion:** Address the frontage, acreage, marijuana and solar By-Laws.
