## **Old Business:**

Michael LaMountain did not call to verify the tentatively scheduled July 8, 2008 Public Hearing. Thus, a Legal Ad was not placed in the Newspaper. Motion was made to call and send a memo to Mr. LaMountain and inform him that his Public Hearing for the 2 Requests for Determination of Applicability by Northeast Concept Inc. is scheduled for July 22, 2008 at 7:30 and 8:00 p.m. All were in favor.

Mary vandenBerg has received several complaints regarding William Garrett's property at 406 Mashapaug Rd.; the delivery of loam lakeside and continual tree cutting are of concern. She requested that Agent Howard Fife investigate.

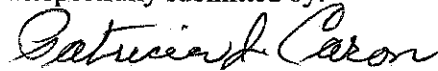

We received a Request for Certificate of Compliance from Luke Perczak of 40 Allen Rd., Map 1-H-1.6 DEP File #184-170. Agent Howard Fife is to do a site review.

8:05 p.m. Mark Farrell of Green Hill Engineering spoke in behalf of Terry and Dave Walkers of 85 Sandy Beach Rd., DEP File #184-0219 requesting the cutting and removal of 2 bare limbed Ash trees that are close to power wires and within the 100' buffer zone. Howard Fife suggested that the trees be replaced one for one with a tree, not a shrub, somewhere on the property.

Motion to adjourn was made, seconded and approved by all. Meeting adjourned at 8:30 p.m.

Respectfully submitted by:
