Howard Fife's Report

Received from Mr. Stinson of the DEP notification of his having read in the Newspaper the forthcoming hydro raking of the Brasenia by Lycott Environmental Inc. and would like to meet with us on 9-27-05.

7:40 p.m. George Catsavas brought in a copy of his Registry of Deeds receipt for DEP File #184-176.

7:50 p.m. Procedure Sheet #2005-951 issued to Michael and Laurie Kennedy of 12 Allen Hill Rd., Map 02-C-03.03 to repair a septic system. Steven Anderson made a motion to accept the project. Seconded and approved by all. Mary vandenBerg signed the Procedure Sheet, having no wetland issues.

8:05 p.m. Procedure Sheet #2005-971 issued to Teresa J. Kukolja of 33 Pine Tree Dr., Map R-41-B-16 to construct an attached 12 x 16 deck. Motion made by James Wettlaufer that a Request for Determination be filed. Seconded and approved by all. Public Hearing scheduled for 9-20-05 at 9:00 p.m. The Legal Ad is to be posted in The Republican on 9-12-05. Teresa Kukolja also spoke of the erosion problems and sand emptying into the lake. They plan, along with their neighbor, to hire Jalbert Eng. to correct the erosion problem and to devise a method whereby only water would enter the lake. James Wettlaufer informed them that a Notice of Intent would be required but since it would ultimately help the lake, perhaps we could waive the filing fee. He would call and question the DEP if they could also waive their filing fee.

8:45 p.m. Procedure Sheet #2005-989 issued to Virginia Zimmerman of 18 Brandon Street, Map R-01-C-08 to add a 20' x 40' addition and a 12' x 20' deck and to re-design existing cottage was presented by Ray Boire of Enterprise Renovations. Procedure Sheet not signed, as several issues remain to be resolved.

Motion to adjourn made by Howard Fife, seconded and approved by all. Meeting adjourned at 9:30 p.m.
