Meeting opened at 7:10 p.m.

Present were Mary vandenBerg, James Wettlaufer, Helen Kreiger, Howard Fife and Brad Noble. Absent was Marguerite Choquette.

Minutes of meeting on 2/5/02 read and signed by Mary.

Voucher to Union News for \$17.50 (Weckesser) approved, given to Treasurer.

Forest Cutting Plan received from the Department of Environmental Management which was approved by Richard Johnson, Directors Agent. As forest cutting plans require a special permit by the Planning Board, plan was given to Jack Keough to issue a no work order.

Notice from the Springfield Office of the D.E.P. received which assigned # 184-144 to the Notice of Intent filed by Mr. Weckesser. A discussion of the project, D.E.P.s requests of the applicant and bringing the Commission up to date followed.

Procedure Sheet #02-0437 issued to Steve Ross / Deb Benveniste, 34 Maybrook Road, Map - 8, Lot C - 4.03, to dig a second dug well approx. 165' behind existing well and approx. 22' deep. After review of plot plan all approved. As the procedure Sheet had not been signed by Jack and no numbers assigned, Deb had to go back to Jack and then returned to the HCC. Brad signed for the Commission. All other Commissioners were in discussion with another person. Deb also notified us that we will be receiving an invitation to attend a meeting of the Pioneer Valley at the Charlton Senior Center on 5/11

Procedure Sheet #02-0435 issued to John Ganley, 48 Over the Top Road, Map R-14, Lot A-2, to tear down existing structure and build new structure. There was a long discussion on what approvals he will need to get. A notice of intent needs to be filed. We suggested that he should go to the Zoning Board of Appeals before he invest in an Engineering drawing which will be required by the HCC and the Board of Health. As there was not enough information or a filing, we could not take any further action.

Procedure Sheet #02-0436 issued to Greg Barsaleau, 23 Over the Top Road, Map R-15, Lot-D-05, to add second floor with a deck. After review of plot plan and indicating that LaBoeuf will remove old shingles from lot, all approved. Signed by Mary.
