Agenda Items

Public Hearing Presentation:

Chairman Fancy made a Powerpoint presentation of the proposed FY19 budget for the Town of Holland. Approximately 25 people attended the presentation. Several questions were asked during the presentation, and were answered satisfactorily.

At the end of the presentation the Highway Surveyor made a request for an additional \$3,000 to fund a Bulk Recycling project, noting that the prior effort was successful. As the budget was already balanced, additional funds were not available. But, the Executive Secretary indicated that \$3,000 could be moved from the Town Hall Expense account to fund the Bulk Recycling project. Also, the Highway Surveyor noted that a number of headstones in the town cemetery are in need of repair, and that funds should be budgeted for that purpose in the FY20 budget.

Next Meeting

The next meeting will be held at 7:00 P.M. on Wednesday, May 9, 2018.

The meeting was adjourned at 8:00 P.M.
