Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town of Holland’s website, at <https://town.holland.ma.us/>.

No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on our Town’s website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting. The public will not be allowed into a Board/Committee meeting, even where there are any members of the public body and/or [city/town] staff or official(s) physically present at the meeting location during the meeting. “Public comment” portions of meetings will be temporarily suspended.
