

TRUNK or treat

Trunk or Treat is an alternative to trick or treating from house to house. The road is closed off to traffic and is patrolled by Holland Police. Families then go from car to car in a safe and controlled setting to collect candy.

Saturday, October 26th

In order to make Trunk or Treat a success, all participants **MUST** contribute. We ask that each family pass out candy from a trunk (decorating optional, but highly encouraged). Please plan on a minimum of 350+ pieces of candy. If you are unable to park a vehicle, we ask that you bring candy to the PTO table, where we will have volunteers available to pass it out.

*Additional parking for non-participants is available in the Holland Church parking lot.

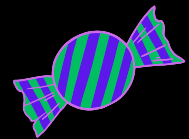

Timeline of events:

5:30 PM: Vehicles will begin parking on East Brimfield Road with trunk facing out.

6:15 PM: Parking will be cut off.

6:30PM: Trunk or Treat begins when the fire engine sounds. Families should start at their vehicle and move counterclockwise.

All children must be accompanied by an adult. **NO DROP OFFS.**
