Intel:

Please be advised that this department will be hosting and participating in a police training exercise on Thursday, July 22, 2021, at approximately 6PM. The training should only last a few hours and multiple agencies are expected to participate, so you may see a large amount of public safety personnel in the area, particularly, in and around the Town Hall, and the Elementary School parking lot, at 27 & 28 Sturbridge Rd.

This will be a simulation training exercise and is not expected to cause disruption to traffic. However, we are notifying the community in advance due to the fact that you may see a large police presence, as well as equipment that will be used during the simulation, in the area.
