Subj: Procurement of Services - Holland MA MVP FY22 Round 2 Planning Grant

Greetings,

As you are aware from the letter I submitted to you on March 1, 2022, the Town of Holland is seeking a state-certified provider to complete a joint MVP/Hazard Mitigation Plan Project. On January 24, 2022, we received funding in the amount of \$27,000 from the Executive Office of Energy and Environmental Affairs, EEA, MVP Planning Grant, to complete this process.

On March 11, 2022, I received your proposal. On March 14, 2022, I submitted a letter to the Holland Board of Selectmen and the members of our municipal management team. Included in that letter was your proposal as well as a proposal from another state-certified provider who submitted for consideration. As a result, I am pleased to inform you that your agency has been selected as our partner to complete the MVP/Hazard Mitigation Plan Project.

I would like to schedule a meeting with you at your earliest convenience to discuss the next steps in the process. We can host the meeting at the Holland Town Hall. Please provide me with a suitable date and time so we may work out the logistics.

I would like to thank you for your willingness to engage with us to complete this project and look forward to working with you. I have copied the Holland Board of Selectmen, the members of our municipal management team, our municipal Chief Financial Officer CFO, and our MVP Regional Coordinator, Andrew Smith, in this correspondence.

Please do not hesitate to contact me directly if you have any questions. I can be reached via email at [bhaughey@hollandma.org](mailto:bhaughey@hollandma.org) or via voicemail at (413) 245-0117 ext: 330.

Respectfully,

Bryan C. Haughey
