

IMPORTANT NOTICE FROM THE ASSESSOR'S OFFICE REGARDING INSPECTIONS OF PROPERTY:

To Property Owners in the Town of Holland:

The Holland Assessor's Office is in the process of doing cyclical inspections of real estate properties throughout the town, as well as inspections for building permits and new sales. The inspections will be done during the coming months with Inspectors going door-to-door throughout neighborhoods to do inspections of both the interior and exterior of properties.

The State requires that every community re-inspect each parcel of real property in the Town within every 10-year period.

This letter will identify Mr. Alan Bishop, an employee of Bishop & Associates. Mr. Alan Bishop and his company have been engaged by the Board of Assessors to make an inspection of the taxable real estate located within our boundaries. Ideally, a full inspection of the interior and exterior of the property is requested. Your cooperation will be appreciated.

Very truly yours,

Priscilla J. Clowes

Principal Assessor
