BUILDING PERMIT APPLICATION **REQUIRED DOCUMENTS CHECK LIST**

PLEASE READ COMPLETELY

Attached you will find a Building Permit Application Required Documents Checklist. This checklist will assist you in preparing your permit application for review. Please pay close attention to all the required items. Any missing item will cause your application to be returned.

Page 2 is to be used with applications for One & Two Family Dwellings.

Page 3 & 4 are to be used for additions, alterations, remodeling of one & two family dwellings **OR** structures *accessory* to a dwelling.

Page 5 is to be used for all other projects. (i.e. any new construction, additions, alterations or changed use of any project that is NOT dwelling related).

For a detailed description of checklist item #'s on **Pages 3 & 4** (i.e. #1, #2, #6, etc.) refer to **Page 2**, checklist for one & two family dwellings.

Once you have compiled all the required documents, attach them to the checklist and submit them for review. Applications may be delivered to the Holland Town Hall Monday through Thursday during regular business hours. If the checklist is not complete all documents will be returned to you with an explanation as to what additional information is needed. The Building Commissioner will review your application and you will be notified when the permit has been approved. For new homes and large additions the review will usually be completed in approximately 7 to 10 days. Larger projects may take longer. Small additions or accessory buildings require less time.

IMPORTANT NOTE: The REQUIRED DOCUMENTS CHECK LIST, Page 2 and PROCEDURE SHEET MUST be attached to ALL dwelling related applications (Page 5 and Procedure Sheet for ALL other applications).
